ABOUT C-SPACE

C-Space is a creative, community-focused workspace designed to bring people together. Located in the heart of the town, we provide flexible spaces where individuals and teams can meet, collaborate and thrive.

From meeting rooms and coworking desks, to breakout areas and community events, everything we offer is built to support productivity, connection and a healthier way of working.

OUR LOCATION

Located on Newquay's iconic Killacourt, C-Space offers the perfect blend of convenience and coastal charm. Just minutes from the high street and within easy reach of bus routes, the train station and plenty of public parking, it's an ideal meeting point for both local colleagues and guests travelling from further afield. While we have limited on-site parking, several public car parks and off-road options are close by. And with the beach only a short stroll away, every visit to C-Space comes with a touch of Cornish character that makes meetings feel a little more special.
